## WINTER BAND & CHORUS CONCERT AND ART SHOW

Thursday, May 2 at 7:00 pm  
Elementary Gymnasium

Mr. Stombaugh's band students have been practicing on Tuesday and Thursday mornings, as well as during school hours. Mr. Stombaugh and his students are very proud of the progress that they have made through hard work and consistent practice.

Mr. Leap's chorus students have been practicing on Monday mornings. Like the band students, the chorus students have been working extremely hard at preparing for this concert and are proud of the progress that they have made.

Mrs. Theys' art students always put on a wonderful art show. The art show will be held in the elementary lobby and can be viewed before and after the concert. Mrs. Theys and her art students are very proud of the creations they have completed during the school year and are very proud to show off their projects.

**A special thanks to all of the parents/guardians for taking the time to transport your students on Mondays, Tuesday, and Thursdays. Creating time for transportation on a consistent basis is not easy. CKE commends you and your student for making this concert possible.**
