MUSIC

LESSON FOR GRADES K – 6

This activity is very much like a sing along. Simply click the link corresponding to your grade level. You will find a playlist of interactive songs. Choose 1-3 songs each time you are ready to sing.

1. Listen to the song and pay close attention to the rhythms and melodies.
2. Listen to the song again and read the words along with the music.
3. Practice singing with the song!
4. Repeat until you are satisfied with your performance.

You may sing these songs again and as often as you want!
